**i like it / session / \$75**

The 'I Like It' session is the ultimate indoor only session. We do close-ups and full length poses on multiple backgrounds in two different outfits of clothing. We will also do yearbook and cap & gown poses in this session. Plan on having fun in your 2 outfits (plus c&g) during this 45 minute session.

**i love it / session / \$125**

The 'I Love It' session is our most popular session. You can wear 2 outfits indoors and 2 outfits outdoors during this 2 part session. We photograph the indoor portion with traditional, artistic and modern imagery during the middle of the day. For optimal lighting, the outdoor portion is done in the early morning or late evening at our outdoor studio with our old truck, cabin, old wall, flowers, pond, and more. This session includes a cap & gown portrait during the indoor portion.

**want more of it / session / \$200**

Some examples of locations seniors have visited in the past include their high schools, downtown WM & Monroe, golf course, Ouachita River, Cheniere Lake, horse farm and their homes.
